- Intro to Retail
- Intro to Beauty
- Intro to Warehousing
- Intro to Volunteering
- Intro to Event management
- Intro to Pet Care

Welcome back to DVLC for 2018!

By Veronica Kioria (Executive Centre Manager.)

We concluded 2017 with a fabulous presentation evening for our VCAL students. It was so wonderful to pull together as a community and celebrate the success of our students.

The start of 2018 has been very busy. The VCAL teachers have been very excited to welcome new and returning students and are now back in the routine of classes.

Our floristry, Italian, MYOB and computer courses are now back in full swing and it is so wonderful to see the centre buzzing again.

We have also welcomed Leanne Hindley to the Administrative team. She is on board as the Community Liaison and Business Development Officer. Leanne will be responsible for building and maintaining relationships with new and current supporters. She will also be looking into future courses we can run in the centre to meet the needs of the community.

Wishing you all a fabulous first term at DVLC!

Veronica Kioria
Executive Centre Manager

VCAL 2018 at DVLC

By Tracey Wood (VCAL Coordinator)

The VCAL students have had a lively start to 2018! **Orientation day** was a huge success with students participating in games and challenges while

getting to know their new teachers and wellbeing workers, as well as their classmates and surroundings.

Our two senior classes have started at the **Melbourne Polytechnic** campus where, despite the construction work going on, there has been no shortage of legroom or possibilities.

Our two **junior classes** have settled in well at our DVLC campus. After a first day of nervous anticipation we are seeing them develop confidence and new friendships.

Motivation and drive have begun to set in for everyone! Students have launched into their work and everyone has begun a first “outcome” of the year.

Some exciting **events** are coming up! We will be having a whole school excursion to Skaterz in Eltham on Harmony Day (March 21). We are also starting another semester of the Cooking for a Crowd and Lawn Bowls programs for the Group A class. Our wonderful community support for these programs comes from Lorraine Englefield (Eltham Rotary) and the Greensborough Bowling Club.

Greetings from Community Liaison and Business Development

Hello to our wonderful DVLC community!

I've been working at DVLC since June 2017 (Mostly in a volunteer capacity.) I'm really excited to be part of the DVLC team! The Admin team is working on lots of exciting ideas for 2018. Including:

- Ensuring our current supporters are properly recognised and included in the centre. (This newsletter is part of this initiative.)
- Expanding course delivery into other venues.
- Looking at the possibility of running after school activities for kids.
- Looking into other course possibilities for families

If you have any more ideas I would love to hear from you. My email is Leanne.hindley@dvlc.org.au
I look forward to meeting you soon!

Leanne Hindley

Community Liaison and Business Development

Finance and Administration

By Asad Abbasi

We are excited to let you all know that soon we will be starting some of the courses and their tentative start dates are listed below

- Certificate II in Community Services(CHC22015) - April 2018
- Certificate I in Information, digital media and technology (CICT10115) -June 2018

We are really excited about a new partnership we have developed with Greenhills Neighbourhood House, where we will start ACFE courses from May this year. Initially, we will be delivering Floristry, and we will expand our ACFE delivery considering local needs and interests.

We are also working on streamlining processes internally for the collection of student fees.
