

ABOUT DIAMOND VALLEY VCAL

What is Special about the DVLC VCAL program?

We believe that every young person who comes through our door can and will be an important and successful member of the community. As a friendly adult education centre you will be treated with respect by staff and fellow students. The classes are small and taught by teachers who believe in making learning a safe and enjoyable experience that builds confidence and happiness as well as important academic skills. Students quickly learn that school can be fun and it is safe to ask questions and to try new things. Our teachers care about and respond to each student's interests and our hands on learning, plus our many events and excursions, add even more interest. Check out our website for information about this successful program.

Certificate Courses

- **SFL20115 Certificate II in Floristry (Assistant)**

This is a comprehensive course which prepares you to work as a floristry shop assistant. Learn how to make an exciting range of floral products, how to select and care for flowers, recognise their botanical names, and how to sell them successfully. This course is designed for those looking for a career in floristry and also those seeking to start their own business.

- **HLTAID001 Provide Cardiopulmonary Resuscitation (CPR)**

Did you know CPR qualifications need to be renewed annually? Refresh your skills at DVLC! (Pre-reading is required)

- **HLTAID003 Provide First Aid**

This course is often referred to as a Level 2 or Workplace First Aid. A knowledge of First Aid may save lives and is a useful addition to a resume. (Pre-reading is required)

- **BSB31115 Certificate III in Business Administration (Medical)**

The Certificate III in Business Administration is a suitable qualification for those looking to seek employment in the medical industry. Previous students have successfully found employment in medical/dental practices, hospital records and administration departments.

- **ICT10115 Certificate I in Information, Digital Media and Technology**

This qualification provides the skills and knowledge for individuals to safely perform foundation digital literacy tasks using a personal computer and a range of software applications and digital devices, word, power point and excel.

- **CHC22015 Certificate II in Community Services**

This qualification may be used as a pathway for workforce entry as community services workers. Community service workers provide a first point of contact and assist individuals in meeting immediate needs. Course covers: communication and work in health and community services, working with diverse people, workplace health and safety and more.

- **FNS40217 Certificate IV in Accounting & Bookkeeping**

This qualification may be used as a pathway for a career in accounting and bookkeeping. Students will gain an understanding of fundamental accounting concepts and learn how to apply these in the business environment. Some of the topics covered include preparation of financial and BAS statements and cloud computing.

PLEASE SEE OUR WEBSITE FOR MORE INFORMATION ON THESE COURSES

This training is delivered with Victorian & Commonwealth Government funding. DVLC supports and encourages the application of people with a disability and students of Aboriginal or Torres Strait Islander heritage.
