ABOUT DIAMOND VALLEY VCAL

What is Special about the DVLC VCAL program?

We believe that every young person who comes through our door can and will be an important and successful member of the community. As a friendly adult education centre you will be treated with respect by staff and fellow students.

The classes are small and taught by teachers who believe in making learning a safe and enjoyable experience that builds confidence and happiness as well as important academic skills. Students quickly learn that school can be fun and it is safe to ask questions and to try new things.

Our teachers care about and respond to each student's interests and our hands on learning, plus our many events and excursions, add even more interest. Check out our website for information about this successful program.
